

An online nutrition calculator that will accurately estimate the number of calories and nutritional information in food items

What's so great about MenuSano?

Easily showcase the nutritional profile of selected menu items

Allows you to experiment with ingredient quantities to make a dish healthier

Makes it easy to comply with the new Ontario Healthy Menu Choices Act

It is an affordable web-based product that has been designed to be easy to use and flexible

MenuSano's nutritional database is well researched, contains over 80,000 food items, and has been tested with restaurants, public health departments and hospitals.

The Ontario Healthy Menu Choices Act

On January 1, 2017, restaurant chains will be required to provide their customers with specific calorie information for most food and drink to be consumed or taken away.

MenuSano is a do-it-yourself cost effective tool for restaurants to comply with the new Ontario Healthy Menu Choices Act.

How It Works
